

10 years of fundraising

- 18 main fundraising events plus several grassroots events (e.g. walks, quizzes, donation drives, etc.) organized by First Hand's volunteers in Singapore
- More than 100 volunteers devoted substantial time to First Hand
- Thousands of First Hand friends have attended our events, receive our newsletter or follow us on social media
- Our Fundraising activities for overseas partners are overseen and approved by the Singapore Commissioner of Charities

Join us on 27th October 2018, for our 10th Anniversary Great Gatsby Party!

Check out our trips, events & fundraising

First Hand is a Singapore-registered society dedicated to helping vulnerable children and families in Cambodia. Since 2008 First Hand has raised hundreds of thousands of dollars to help children, women and families in need. First Hand is run 100% by volunteers who do not draw salaries - all funds raised go directly to our exceptional partner organizations, Damnok Toek and Mother's Heart. We liaise with these local centres 'first hand' to learn their specific needs, travel to Cambodia at our own expense and check on how projects are progressing.

You can volunteer or raise funds with us to really help make a difference.

Hands on Help for Cambodia

10 years of donations and service trips

- More than 600,000 SGD paid out to First Hand's partner organizations in Cambodia
- 6 Singapore schools collected for First Hand
- Nearly 20 service trips (incl. 3 medical aid trips) taken at volunteers' own expense
- More than two tons of in-kind donations delivered to First Hand's partners, including special needs equipment (electric wheelchairs, walkers, prescription glasses...)

Damnok Toek serve the most marginalized and 'at risk' children & youth in Cambodia. Their vision is to assist all vulnerable children, particularly:

- Trafficking victims
- Street working or street living children
- Young people living with physical or intellectual disabilities
- Victims of any kind of exploitation or abuse.

They provide multiple projects in targeted border communities in Poipet, Neak Leoung and Kep inclusive of Employment Resources, Migration Services, Drop-In/Reception Centres, Residential Centres, Medical Clinics, and Non-Formal Education.

www.damnoktoek.org

Mother's Heart is Cambodia's only crisis pregnancy counseling service. They Empower, Equip And Educate Women through counselling, support services, medical care and community involvement.

- Counseling and emergency temporary accommodation
- Access to health care through advocacy/practical support
- Antenatal/parenting training
- Access to appropriate vocational training and job options
- Foster care/local adoption through partners and Government services
- Community education on unplanned pregnancy
